What
should
I do?

*My love for
my little sister,

unbearable.*

Huh!?

You're
fucked in
the head.

Just join it in...

Frankly,
I want to
fuck her

Struggle

The Akane
who carried
around a back-
pack until
now

has started
wearing a sailor
uniform!!

I just
wanna eat
her.

You
should stop
that...

before
you get
ahead of
yourself

Ho
Hoo

Oh...

Welcome
back,
worthless
sister.

I'm
home.

10

Hello-

Nice to meet
you, sorry for
intruding.

Don't call me a "worthless sister", it's rude!!

D...

Then what should I call you besides a 'worthless sister'!!?

Just plain 'worthless'!!?

No way, not that foul room.

Without a mask to breathe with, her lungs will rot.

My room, of course.

You're the lowest life-form on this planet!!

Anyways, where do you plan to hang out with this friend you brought along?

What's worthless about me!?

My room is as bad as the toxic jungle!?

Umm...

Uh...

Good grief,
falling in love
with your
own sister...

Isn't that a
bit much?

I'm the
type to burn
brightest when
the difficulty
getting us high

Yes,
I do.

Y...you
think you
can tempt
me with
love?

Really?

But Hikoju

you're not
against a
relationship
between girls?

Don't
care

I haven't
thought about
it outside of
Akane, so I
wouldn't know
myself

about me
becoming your
girlfriend?

Then what
would you
think

Shinobu,
you...

Would
I have a
chance?

If you
have no
one else

If things
don't go
well with
Akane-don...

**I'm gonna
punch you,
you bastard.**

**You know
this isn't
some yuri
manga.**

settle down

Happily ever after
